Deadline for submissions is
December 1 of every year

*Promoting the interests of glazing contractors,
suppliers and consultants in BC*

Glazing Contractors Association of BC

The Glazing Contractors Association of BC Bursary Program

The GCABC members have raised funds this year to award bursaries. There are a limited number of bursaries available.

These bursaries are available to persons interested in pursuing a career in the following area:

1. Glazing installation and/or fabrication apprentice program

These bursaries can be applied to any of the three levels of training required to achieve your journey person status.

Bursaries will be paid directly to the institute providing the education and will be allocated towards your tuition. Students are required to be a registered apprentice. Candidates should possess trade aptitude.

NOTE: GCABC will pay the costs for your tuition. There are two apprentice training centers in BC. Each has their own pricing. You will note there is no dollar value quoted in this application. The award will depend on the tuition fees required by each provider and will be allocated accordingly.

NOTE: GCABC will also indenture anyone who is not currently employed in the glazing industry. This is applicable for Level I training only. This will ensure you eligible to apply for an apprentice number with the Industry Training Authority.

Application Checklist

1. Type or neatly print responses on the application form.
 2. Attachments to the application:
 - (a) Cover letter introducing yourself.
 - (b) Verification of your acceptance as an apprentice.
 - i) You can get this number from the Industry Training Authority.
 - ii) If you have applied for this number and are waiting for ITA response please indicate this in your covering letter. Your number **must** be received prior to acceptance if this bursary is awarded to you.
 - (c) Verification of acceptance to educational institute providing the apprenticeship training.
 - (d) Essay – please discuss why you feel you require this scholarship. Why you want to enter the glazing industry. The essay must be typed, double spaced and no more than two pages.
 - (e) Provide two letters of recommendation; one letter of which should be from the applicant's employer or supervisor the other letter can be from someone you know personally. Both letters should address the applicants overall character, trade aptitude and academic potential.
 - (f) Provide a copy of your transcript – if you are coming directly from high school.
-

Criteria for Selection

The selection committee will evaluate each applicant according to the following criteria established by the GCABC.

- Glazing apprentice
- Financial need
- Employment
- Community service/school activities/volunteering
- Essay
